Property description

Located at Via Canova 14, just a few steps from the Arco della Pace and Parco Sempione, we offer for sale a loft studio of approximately 30 square meters, situated on the sixth floor without an elevator of a charming historic building with a concierge service available all day.

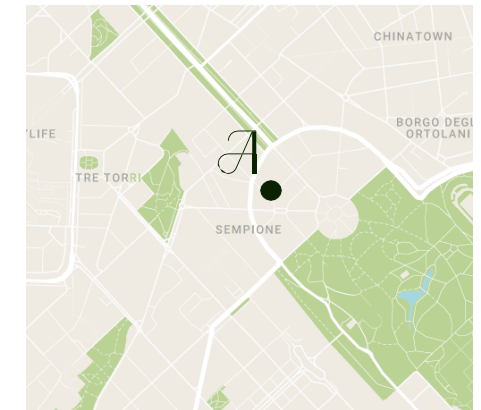

The property consists of an open space with a regular, square layout that is easily customizable, along with a windowed bathroom featuring a shower box. The distribution of the spaces makes it ideal as a primary residence or pied-à-terre for singles, as well as a rental investment.

This area is one of the most sought-after in Milan, thanks to its proximity to the Arco della Pace, Parco Sempione, and numerous amenities, venues, and green spaces. The location is well connected by surface transport (trams and buses) and the MM5 Domodossola metro line, making the property extremely appealing in the rental market.

Canova 14 is the ideal solution for those seeking a secure investment or a functional living space in one of the city's most iconic neighborhoods.
