Property description

Located in a quiet inner building, Giambellino 98 offers privacy and tranquility away from urban traffic. The apartment is on the first floor of a well-maintained residential complex.

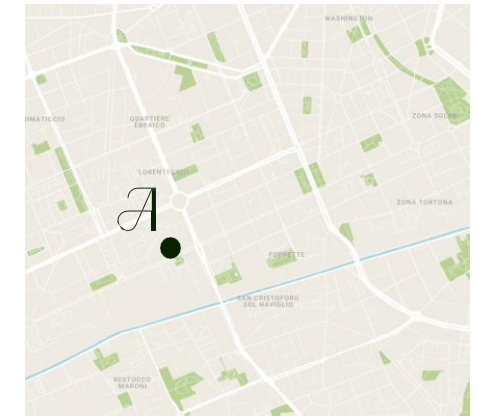

The entrance opens onto a bright living room with an open-plan kitchen. The sleeping area includes two bedrooms: a spacious master bedroom and a second room, ideal for guests or as a home office. The bathroom has a window and is equipped with a shower and a laundry corner. The apartment also features a large private terrace accessible from the living room.

The property overlooks the internal courtyard, contributing to a quiet and relaxing atmosphere, while the dual exposure ensures excellent natural light—one of the defining features of the apartment.

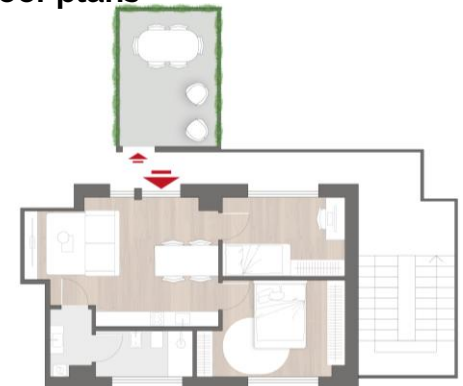

One of the greatest advantages of Giambellino 98 is its outstanding connection to the rest of Milan. The nearby Frattini stop on the new M4 metro line provides quick access to the city center (San Babila), major train stations like Cadorna, and Linate Airport. Numerous trams and buses also make it easy to get around the neighborhood and reach other parts of the city.
