The apartment, which can be customized according to one's needs, consists of a large entrance hall leading to the living room with a sitting area. Continuing along the hallway, you enter the spacious first bedroom, the semi-custom kitchen, the bathroom and the large master bedroom. A second bathroom is easily obtainable. Light dominates the rooms, with large windows that from the living room provide access to a spacious balcony that overlooks the neighborhood greenery reaching as far as the mountains on clear days. Availability of garage and cellar.

In addition, the complex provides several amenities designed for the comfort of residents, including a concierge, a locker room, garages and a reserved area for bicycles.
